

Nuu Theatre Representation Statistics

We have constantly been trying to make this data collection as accessible as possible which has resulted in us changing the ways that we collect this data. In turn this means there some inconsistencies across the forms that are highlighted here: Age range categories are different in Trustee Board 2020-Present; Title changed from “Ethnic Origin” to “Ethnic Background” in Trustee Board 2020-Present; “Ethnic Origin” categories are less specific for April 2018 - March 2019.
